1st and 2nd PE

Dear TMS families,

Students are back to spending time outside on the Lawson Hill field for regular PE. Activities will be limited due to the short spring season, but we will pack in a number of skills and experiences with a variety of sports.

- Warm-ups include various movements, stretching and strength exercises, and special awareness activities.
- Students added a couple new locomotor movements: alligator crawl, puppy run, and kangaroo hop.
- Played Firefighter and Sneak Attack to develop physical fitness, strategizing, teamwork, and sportsmanship.

Best regards,

Dan Conzelman
